**Re: Chris Curry**

To Honorable Kenneth M. Karas:

My name is Marie Curry I work as a Medical Technician at Mohegan Park Home for Adults. Christopher Curry is my baby brother, he's been living with me since our mother passed away.

Christopher is well loved by family & friends, especially my children who miss their Uncle Chris. He has such a wonderful heart. If Chris had to he would give you his clothes off his back. I consider him generous, honest, and loyal to his family. I put my heart out to Chris, I know for a fact when he comes home he will stay home. This was so hard for me and my children. We all miss him so much, this was a learning experience and an eye opener for him. I know he will work when he comes home. He is well liked and has a very good reputation, especially with children. My daughter and son love their uncle. We continue to support him.

Thank you,

  
Marie Curry
